

UnitedHealthcare's Broad Pharmacy Network

The **Broad Pharmacy Network** is composed of more than 67,000² pharmacies, which equates to over 93% of available retail pharmacies. This network provides members and customers convenient access to all major chains, grocery store pharmacies, mass merchants, small chains, Pharmacy Services Administration Organizations (PSAOs) and independent pharmacies throughout the United States (including Puerto Rico, Guam and the Virgin Islands)³. Our Broad Pharmacy Network offers customers competitive negotiated discounts, including a 90-day supply component; however, customers can maximize 90-day savings with one of our 90-day retail program offerings.
